## **General Items**

The August 2022 meeting was led by Vice President Ken Wilkinson.

### By-Laws changes

The proposed changes to the club's By-Laws were approved at the July club meeting. They are now in effect.

### New Web site design

Thanks to Uwe Jacobs for his update of the club's web site. As always, he did a tremendous job. NORVA has a state-of-the-art Internet presence, thanks to Uwe's great work.

## **Officer Nominations for 2023**

Per the Club's By-laws (Article 4, Section 8(a)), nominations for elected officer positions (President, Vice President, Treasurer, Membership Chair, and Secretary) are made at the August club meeting. At the August meeting, the following candidates were nominated:

President	Joe Wolfe
Vice President	Ken Wilkinson
Treasurer	John Shea
Membership Chair	Gerry Petraitis
Secretary	Jim Libovicz

The election for the above positions will be held at the October club meeting.

## **Club Maintenance** (Ken Wilkinson)

We are planning to hold the final **work party of the year on September 17**, starting at 8:00 a.m. (rain date of September 18). There will be light-duty work available in the club house, as well as medium intensity work on the ranges. There is plenty of cardboard to be cut into target backers! A light breakfast will be provided. Please RSVP to [vp@norva.club](mailto:vp@norva.club) so that we can have a good head count for food. Further details will be forwarded in a club e-mail message.

## **3-D Range** (Reggie Atkins & Jordan Faircloth)

The Club bids farewell to 3-D Range Captain Reggie Atkins. Unfortunately for us, he is moving out of the area. We thank him for all his hard work on the 3-D Range.

**Thank you, Reggie. You made NORVA a better place.**

We also thank Jordan Faircloth for all his work on the range as well.

**The Club needs a new 3-D Range captain. If you are interested, please contact Club President Joe Wolfe.**

## **Tournaments** (Susan Erdos)

The Belvoir Bowhunters hosted a Hunters for the Hungry 3-D shoot at NORVA on August 13.

Our next club shoot will be a Field, Hunter, and 3-D Pin Shoot on August 27.

## **Membership** (Gerry Petraitis)

Club membership stands at 708. The next new-member orientation will be held in late August.

## **Field Course** (Ken Wilkinson)

The target frame on #14 is still in poor condition, and I apologize for the delay in repairs. The current plan is to address this during the next work party in September.

I recently attended the NFAA Outdoor National Field Championships at the Mechanicsburg Sportsmen's Association in Enola, Pennsylvania. While the competition was fierce (and humbling) it was a great experience. There are a number of high caliber tournaments on the East coast within a few hours' drive of the greater D.C. area. Competing at these events is a perfect opportunity to learn a lot about yourself as an archer. I highly recommend attending one.

*Thanks to Dave Grant (with an assist from John Shea) for leveling out the gravel at the site of the old outhouse. A much needed repair!*
