Message from the Board

As required in NORVA's by-laws, this Newsletter is a report to the membership of the Board's actions. It also constitutes the minutes from the September 2022 meeting.

General Items

The September 2022 meeting was led by Vice President Ken Wilkinson.

Work Party on September 17

The Club will hold its last Work Party of the year on September 17. Planned work includes shoring up the clubhouse for winter, making it squirrel-proof, cutting cardboard for targets, splitting firewood, and doing light maintenance on the field course.

Please RSVP to Ken (vp@norva.club) so that we can get a count of how many people will be attending. A light breakfast will be provided, and we need a head count to know how much food to buy.

Officer elections for 2023

At the October club meeting we will vote on the Officers for 2023. The individuals that have been nominated are the following:

President	Joe Wolfe
Vice President	Ken Wilkinson
Treasurer	John Shea
Membership Chair	Gerry Petraitis
Secretary	Jim Libovicz

If you cannot attend the meeting in person, you can vote via email. Please send your votes to Events Chair Celeste Otsuka at events@norva.club

3-D Range (Blake Hodge)

Blake has assumed the mantle of 3-D Captain. We thank him for stepping up to the daunting task of succeeding 3-D Captain Reggie Atkins, who moved to Colorado this summer.

The Club is waiting on its orders for a number of new targets. Ken indicated that we hope to have the planned addition to the shed (to free up space) completed before the order comes in.

Tournaments (Susan Erdos)

The Club held its last shoot of the year on August 27. We had a solid turnout of 37 participants. Thanks to John Shea and Ceara Manser for helping Susan run the tournament.

The Club's next tournament will be in early 2023 (probably March) when we hold the Icebreaker shoot.

If anyone has ideas for novelty shoots, please let Susan know.

Also, as the weather gets cold, think about indoor shoots at other clubs.

Membership (Gerry Petraitis)

The latest new member orientation was on August 21. There were 21 primary members. Club membership now stands at 735.

Treasurer's Report (John Shea)

We have submitted an application to the IRS to have our non-profit status re-instated, but we have not yet heard back from them.
