Ken Wilkinson
Gerry Petraitis

John Shea
Susan Erdos

Blake Hodge
Jim Libovicz

Dave Grant
Christopher Lopez

First Club Shoot of 2023 is this Saturday, March 11
See you there!

Message from the Board

As required in NORVA's by-laws, this Newsletter is a report to the membership of the Board's actions. It also constitutes the minutes from the March 2023 meeting.

General Items

The March 2023 meeting was led by Vice President Ken Wilkinson.

Building Project – Update

Treasurer John Shea reported that the permit application is still working its way through the approval process (it has gone from “Accepted” status to “Under Review”).

New Project – Work shed improvements

Ken reports that the next project will be an extension of the overhead cover behind the work shed. He is working on the plans for it. He will hold a small work party to get started sometime in March or April.

Work Party on February 26

We had a successful work party last month. Although only 20 people showed up, we got a lot accomplished, especially on the 3-D range. We re-set all the targets in anticipation of our first shoot of the year. Thanks to everyone who came out to lend a hand. And thanks to Susan for cooking!

Field Range (Ken Wilkinson)

Ken plans to test out the new target butts at Field target 14. A tree had fallen on the target. As it is in need of repair, this target is a good candidate for the new butts.

Web Master (Uwe Jacobs)

Ken reports that Uwe is working on getting a new internet service provider for the club. Club leadership approved his plans to change to a provider that is more reliable than our current one.

3-D Range (Blake Hodge)

Thanks to all the volunteers who helped out at the work party, the 3-D range is ready for the upcoming shoot. There are a number of old 3-D targets that are a bit worn out. The Club is holding them in reserve in the event that our current set of targets is damaged.

Larry Johnson and Frank Bradt set a target at the February Work Party

3-D Captain Blake Hodge at last month's Work Party

Academy (Dave Grant)

The Academy is planning for classes to re-start on March 18. The four bales at the Academy range have been replaced.

Dave will be giving a course in May for students who seek a USA Archery Level 1 or Level 2 certification. Contact Dave if you are interested.

Membership (Gerry Petraitis)

The Club membership stands at 587. We added 52 new members at the February orientations. Gerry is contacting prospective students for the March orientation.

Tournaments (Susan Erdos)

The Club's first shoot of the year will be the 3-D Pin Icebreaker on March 11. It will be a shotgun start, starting at 0900. Susan will prepare food.

Treasurer's Report (John Shea)

The Club took in \$7,400 in February. The projected end-of-year balance is \$13,000.

NORVA Treasurer Monthly Report for Feb. 2023

Description	Credits	Debits	Notes
