## **Message from the Board**

As required in NORVA's by-laws, this Newsletter is a report to the membership of the Board's actions. It also constitutes the minutes from the September 2023 meeting.

## **General Items**

The September 2023 meeting was led by Treasurer John Shea.

·Construction Update: The pavilion at the practice range is complete it looks great.

·New 3-D targets: Our order came in for 11 new targets (and 20 new inserts).

·Repairs: The Club had to pay to clean out the drain at the clubhouse. We are hoping that there will not be flooding at the clubhouse.

·Volunteer Hours: We are piloting a new mechanism to post and track volunteer service opportunities. With the start of Fall we are in particular need of maintenance to keep the trails and area around the clubhouse free of leaf clutter.

## **Treasurer's Report (John Shea)**

NORVA's checking account for the end of August was just under \$60,000. Our projected end of year balance is \$18,000, with \$10,000 of that part of reserve.

The possible purchase of a new ATV/UTV is part of that budget. We'll talk about that at another meeting when there are more people.
