Message from the Board

As required in NORVA's by-laws, this Newsletter is a report to the membership of the Board's actions. It also constitutes the minutes from the February 2024 meeting.

General Items

The February 2024 meeting was led by President Ken Wilkinson.

Work Party on March 2

The Club's first work party of 2024 will be held on Saturday, March 2 from 8:00 a.m. to 1:00 p.m. The focus of the work will be to prepare the 3D course for the upcoming shooting season. The maintenance conducted at this work party will comprise the bulk of the 3D target maintenance for the year. We will be replacing a number of target cores, as well as placing several fresh targets. We also have at least two large trees obstructing the course for removal and several other odd jobs.

Please sign up for work at

<https://www.signupgenius.com/go/10C084BAEAE23A3FBC25-47970303-2march>

A minimum of five volunteer hours will be credited to those who remain until the work is completed.

Also, we will have breakfast burritos and coffee to help you start the day!

New lock combination

The combinations to enter the Club grounds and the clubhouse have been changed. If you renewed your membership, you should have received an email with the new combination.

Old ATV

At the meeting there was a question about the disposition of the old Honda ATV. Several members have expressed an interest in it. This will be discussed at the March Club meeting.

Call for Volunteers: **Tournament Chair and Field Course Captain**

The Club seeks volunteers for two positions: Tournament Chair and Field Course Captain. If you are interested, please contact Club President Ken Wilkinson.

Web Master (Uwe Jacobs)

Uwe reported that the process for renewals has, for the most part, been smooth. There have been only some very minor problems with renewals. Treasurer John Shea reported that the Club has already taken in \$36,000 in renewal dues.

Membership (Gerry Petraitis)

An orientation class was held on February 3. There were 35 participants. This brings the total of new members to 71 for the year.

If anyone wants a refresher course or if new family member joins and wants to join us - just let Gerry know at: membership@norva.club

3-D Range (Jordan Faircloth)

The March 2 work party will focus on getting the 3-D Range up to snuff for the 2024 tournament season.

Treasurer's Report (John Shea)

Noteworthy recent expenses included the following:

Renewed propetry insurance - about \$1200

Annual officer's dinner - about \$250

Waste Management is increasing our monthly fee from \$275 to \$332. We pay for bi-weekly pickup.
